Krishna

Sri Krishna said in the Bhagvad Gita: "Whenever and wherever there is a decline in virtue/religious practice, O Arjuna, and a predominant rise of irreligion – at that time I descend Myself, i.e. I manifest Myself as an embodied being. To deliver the pious and to annihilate the miscreants, as well as to reestablish the principles of religion, I Myself appear, millennium after millennium."

Vrindavan the name that instantly evokes the image of Lord Krishna. Situated south east of Delhi in the Mathura district of UP in north India. Vrindavan is widely acknowledged as the place of Krishna's childhood. It is one of the most frequented holy towns in the Indian sub continent.

Srimad-Bhagavatam describes the extraordinary pastimes Krishna performed in Vrindavan during his childhood. The Bhagavad Gita explains that Vrindavan on earth is a replica of Krishna's everlasting residence in the spiritual world. And the Brahma-samhita says Krishna is eternally living in Vrindavan.
